RE: New Program Approval-Marian College

---

Marian College submitted for approval an initial level program in English as a New Language. This program was reviewed and representatives of the institution were interviewed by the Teacher Education Committee. The program was found to meet all of the guidelines for a new advanced level program. The institution will report on program status/improvements annually to the Division of Professional Standards for three years and then the program review will roll over into the institution's next accreditation review.
